CISV programs all have a financial commitment for each delegate intending to participate in the program for which they have been selected. We understand that participation within a CISV program is not an inexpensive endeavor; however, CISV Michigan City-Lakeshore Chapter cannot allow a delegate to participate without meeting their program's financial obligation.

The CISV program fees are due in full to the CISV Michigan City-Lakeshore Chapter on May 15th. The Michigan City-Lakeshore chapter must pay the program fees to the National Office in April. If these fees are not 50% paid by the end of March, CISV Michigan City-Lakeshore Chapter will have no choice but to move the selected delegate to an alternate list and move an alternate delegate up to participate in the designated program. Refunds will be made excluding the acceptance fee. Please note that if you have already paid for airfare or travel arrangements, CISV Michigan City-Lakeshore Chapter is not responsible for any type of reimbursement. That risk falls solely on the delegate and their parent/guardian.

If the delegate and/or their parents/guardians need to work out a payment plan for program fees with CISV Michigan City-Lakeshore Chapter, we are happy to do so as long as final payment is received within one week of delegate's departure. Please contact the CISV Michigan City -Lakeshore Chapter president or treasurer to work out these details.

Documents, Forms and myCISV

Documents have to be completed and sent to CISV Michigan City email or mailbox.

Camp Forms will have to be completed ONLINE using myCISV by May 25th.

If you need help creating or accessing your myCISV account, please contact Fi Orlando:

michigancity-lakeshore@cisvusa.org

The June meeting will be the Forms meeting. Leaders will collect the forms and extra money from parents.

- Delegation competition: the delegation who completes all the forms first will get a surprise present to take to camp.

Travel Arrangements

CISV USA strongly asks delegations to use a travel agency to book the flights in order to have all under the same booking reference and avoid participants to travel in different flights.

We will have more information in our February meeting.
